- Do you have policies that prohibit forced labor and child labor?* If so, please provide a copy.
- Do you have a management system in place or are you developing one to assess labor, health, and safety risks?*
- Do you have up-to-date SA8000, ETI or other recognized certifications for workplace management? If so, please provide a copy under Certificates.*
- Are labor, health, and safety policies, practices, and expectations communicated to all employees and suppliers in local or appropriate languages?*
- Do you have up-to-date OHSAS 18001, ANSI Z10, CSA Z1000, BSI 8800 or OSHA VPP certification for health and safety? If so, please provide a copy under Certificates.*
- Do you have procedures in place to ensure that appropriate machinery is well maintained and equipped with the necessary safety devices?*
- Do you have a written emergency response plan and fire evacuation procedure?*
- Are all your employees trained on relevant health and safety matters, such as personal protection equipment, machine safeguarding, hazardous materials handling, emergency management, etc.?*
- Your facility has operated without any fatal injuries over the past ...?*
- Are any of your workers under bond, debt, or other obligation to your facility or to labor brokers?*
- Are workers free to resign from their employment at any time without penalty provided that reasonable notice is given?*
- Are workers free to leave the facility and attached staff accommodation during non-working hours and at the end of their shift?*
- Do you employ child labor (workers younger than 15 years of age)?*
- Are young workers (above the legal minimum age, but under the age of 18) requiring protective restrictions employed in accordance with the law?*
- Do you have effective procedures for verifying an employee's age?*
- Do you have written personnel policies in place for hiring, salary, benefits, termination, and/or retirement practices to prevent discrimination on the basis of age, disability, gender, nationality, race, color, religion, social or ethnic origin, sexual orientation, health condition, political opinion, etc.?*
- Are your employees free to join or form trade unions or workers' organizations of their own choosing and to bargain collectively if this is permitted by law?*
- Do you have a formal, written policy that clearly states a commitment to prevent harassment and abuse in the workplace?*
- Do you have procedures in place to ensure the workplace is free of physical abuse, corporal punishment, physical contact with the intent to injure or intimidate, and disciplinary measures that cause physical discomfort?*
- Do you have procedures in place to ensure all employees are paid at least the legal minimum wage for standard working hours?*
- Do you have procedures in place to ensure all employees are given the vacation and leave to which they are legally entitled?*
- Do you have procedures in place to ensure that all overtime performed at your facility is voluntary?*

Environmental responsibility and sustainability

- Do you have a management system in place to assess environmental risks associated with production and to ensure that measures for protection of the environment are implemented?*
- Is your management system in compliance with applicable environmental laws and regulations?*
- Do you have up-to-date ISO 14001, RC 14001 or EMAS certifications? If so, please provide a copy under Certificates*
- Do you have a policy statement and/or management system that addresses conflict minerals?*
- Are environmental policies, practices, and expectations communicated to all employees and suppliers in local or appropriate languages?*
- Do you monitor and track energy consumption?*
- Do you have a program and /or procedures to reduce the use of energy?*
- Do you have a system in place to reduce the environmental impact of greenhouse gases?*

- Do you have goals and targets to reduce greenhouse gas emissions?*
- Do you have a system in place to manage air emissions?*
- Do you have pollution prevention devices on chimneys, vents, and extraction systems?*
- Do you have a system in place to manage and monitor water withdrawals and consumption?*
- Do you have a program and/or procedures to reduce water use or reuse/recycle water?*
- Does your facility treat wastewater prior to off-site discharge?*
- Do you have a program and/or procedures to reduce or eliminate pollution and waste in operations?*
- Do you have a program and/or procedures to manage and dispose of hazardous waste, wastewater, solid waste, and airborne emissions?*
- Do you have established environmental targets and objectives relating to the above mentioned items to improve environmental performance?* If so, please provide some examples.
- Do you assess whether substances stored, used, or handled on-site are prohibited by national or international laws or protocols? *
- Do you maintain up-to-date material safety data sheets for all hazardous substances used on-site?*
- Do you have targets and programs in place to reduce overall sustainability impacts by managing transportation logistics (e.g. prioritizing low-impact transportation modes)?*

Business integrity

- Do you have procedures and/or a program in place to prevent corruption, extortion, or embezzlement?* If so, please briefly describe your program and/or procedures.
- Do you have procedures and/or a program in place to ensure bribes or other means of obtaining advantages are not offered or accepted (avoiding conflict of interest)?*
- Do you have procedures and/or a program in place to ensure that fair business, advertising, and competition are upheld (complying with antitrust and fair competition laws)?*
- Do you have procedures and/or a program in place to ensure information is disclosed in accordance with applicable laws and regulations (e.g. complying with insider trading rules, protection of intellectual property)?*

Export control

- Do you have an export control system in place also covering trade restrictions (e.g. dual use goods, goods on commerce control lists, etc.)?*
- Do you have a person within your organization that is responsible for export control matters?*
- If so, please provide the name of the responsible person.
- Are you or any of your affiliates or directors or officers subject to sanctions of the USA, the EU or any other country?*

Intellectual property rights, trade secrets and data protection

- Do you routinely use non disclosure agreements (NDA's) to protect third party intellectual property rights (e.g. of your client)?*
- Are all your relevant employees trained on protection of third party intellectual property rights?*
- Suppliers commitment and contractual obligation
- Do you require your suppliers to be in compliance with labor/employment and business ethics laws and regulations?*
- Do you have procedures in place to ensure that your suppliers, including labor brokers, operate in compliance with all applicable environmental, labor/employment, and business ethics laws and regulations?*
- If so, please briefly describe your procedures.
- Do you communicate information about your labor and/or business ethics performance, practices, and expectations to your suppliers?*

Reporting, monitoring and sanctioning

- Have you been cited for major violations of laws resulting in monetary penalties and /or formal corrective actions mandated by a government authority or a court in the past 3 years?
 - regarding human rights and fair working conditions*
 - regarding environmental responsibility and sustainability*
 - regarding business integrity (e.g. fraud, bribery, antitrust, etc.)*
 - regarding export control provisions*
 - regarding intellectual property rights/business secrets*
- Do you have effective grievance procedure in place to allow employees to bring compliance-related violations and/or concerns to the management's attention in an anonymous way without fear of retribution?*
