

## Curriculum Vitae

### Fritz Oberlerchner

Fritz Oberlerchner, born in 1948, graduated from Technical College in Villach as building construction engineer in 1968. He started his professional career as a construction engineer at a small construction company. In 1971, he joined the STRABAG group (ASPHALTBAU Ges.m.b.H.). In 1978, he received power of representation ("Prokura") for Asphalt & Beton Bauges.m.b.H., and eleven years later he was appointed Managing Director of Magyar Aszfalt Kft, Budapest. Mr. Oberlerchner was a member of the group Management Board from 1994 until 2012, from 2003 until 2012 in the function of vice chairman of the Board of STRABAG SE. From 1998 until 2003, he was also a member of the Management Board of STRABAG AG, Cologne. Since leaving STRABAG in 2013 Fritz Oberlerchner has been independent business consultant and Managing Partner of Solo Consulting und Immobilien Ges.m.b.H.
