

EPC project

Zhanjiang Chenming Pulp & Paper Co., Ltd. 700,000 t/a pulp production:

- Order placed August, **2009**
- Scheduled start-up July, **2011**

- Scope **EPC delivery**
Complete pulp line from:
wood yard to finished bales
Complete chemical island:
recovery island
white liquor production plant and
evaporators

A decisive factor for Zhanjiang Chenming to award the order to Andritz was the capability of Andritz to secure all connecting parameters between the process islands based on proprietary Andritz key technologies for the mill and the experience from similar projects in the past.
