

## Apprenticeship to Logistician (m/f)

WE WANT YOU!

### RESPONSIBILITIES

As a Logistician you specialize in inventory management. This position aims to achieve short storage periods to reduce storage costs and fast delivery to the client. Using electronic information and transportation systems logisticians are responsible for making sure that the goods get to the right place at the right time. You will receive the goods when they are delivered, check them and either store them in the warehouse or pack them for transport and then put together the right shipping documents.

### QUALIFICATIONS

- High school graduation
- Interest in logistics
- Precise and reliable work
- Fast comprehension, teamwork, and willingness to further your education

### OUR OFFER:

Apprenticeships begin every September and take 3 years for Logisticians (m/f)

We Offer:

- Combination for success: Job opportunity and outstanding education
- Educational opportunities to the Matura
- High likelihood of a career with the worldwide ANDRITZ team
- Positive work environment
- Bonuses for exceptional work during vocational school and on the final apprenticeship exam
- Coverage of living expenses during vocational school and continued compensation payments
- Affordable housing option if you are not from the Graz area

For this position we currently offer a compensation of:

	Compensation Amount
Year 1	€ 619,36
Year 2	€ 830,45
Year 3	€ 1.124,23
