PRESS RELEASE

ANDRITZ to supply three needlepunch lines to YANPAI, China

GRAZ, SEPTEMBER 5, 2019. International technology Group ANDRITZ has received an order from Zhejiang Yanpai Filtration Technology Co., Ltd. (YANPAI®), China, to supply three needlepunch lines to be installed at their site in Tiantai. Start-up of the lines, which will produce high-quality needlepunched filter felts, is planned from the fourth quarter of 2019 to the first quarter of 2020.

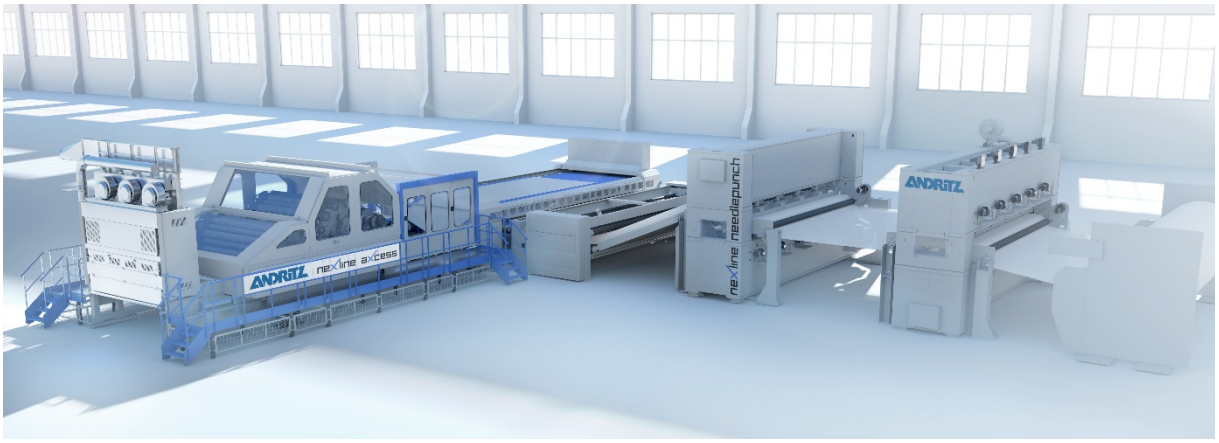

The proven ANDRITZ needlepunch lines will enable YANPAI to obtain high output and also minimize the downtime required. This order illustrates the important position ANDRITZ holds in the market with its aXcess equipment, which allows solutions to be customized to suit the producers' needs perfectly.

YANPAI is one of the leading producers of nonwoven filters for dust and air treatment. Established in 1990, YANPAI was at the forefront in development of new industrial filtration fabrics. YANPAI is a leading company in the production of woven filter fabrics and one of the world's major manufacturers of nonwoven needle felt products. The company mainly manufactures filter fabrics for solid/liquid separation.

ANDRITZ GROUP

ANDRITZ is an international technology group providing plants, systems, equipment, and services for various industries. The company is one of the technology and global market leaders in the hydropower business, the pulp and paper industry, the metal working and steel industries, and in solid/liquid separation in the municipal and industrial segments. Other important fields of business are animal feed and biomass pelleting, as well as automation, where ANDRITZ offers a wide range of innovative products and services in the IIoT (Industrial Internet of Things) sector under the brand name of Metris. In addition, the company is active in power generation (steam boiler plants, biomass power plants, recovery boilers, and gasification plants) and environmental technology (flue gas and exhaust gas cleaning plants) and offers equipment for the production of nonwovens, dissolving pulp, and panelboard, as well as recycling plants.

ANDRITZ stands for passion, partnership, perspectives and versatility – core values to which the company is committed. The listed Group is headquartered in Graz, Austria. With almost 170 years of experience, approximately 29,600 employees, and more than 280 locations in over 40 countries worldwide, ANDRITZ is a reliable and competent partner and helps its customers to achieve their corporate and sustainability goals.
