

Chock services and repairs

Service is our most important product

▲ Rolling Mill Chocks

THE QUALITY OF OUR SERVICE IS THE REASON FOR OUR SUCCESS

ANDRITZ Herr-Voss Stamco Inc. has been servicing, rebuilding and supplying new rolling mill chocks for over 20 years. Our knowledge in servicing, machining and manufacturing allows us to service your chocks to the utmost standards.

We also offer complete bearing rebuild services for work rolls and back-up bearings of all sizes.

Whether you need a complete chock maintenance program or complete rebuilds, you can count on ANDRITZ Herr-Voss Stamco Inc. to help you produce the highest quality coils that today's market requires.

Call us today to discuss your specific requirements.
