

PRESS RELEASE

ANDRITZ to supply new cut-to-length line and heavy-duty levelers to Hunan Valin Lianyuan Iron & Steel Co. Ltd., China

GRAZ, OCTOBER 29, 2020. International technology group ANDRITZ has received an order to supply a new cut-to-length line and two heavy-duty levelers to Hunan Valin Lianyuan Iron & Steel Co. Ltd., China. The order includes the mechanical and electrical equipment as well as start-up, which is scheduled for the third quarter of 2021.

The equipment will be used to produce ultra-high-strength steel grades in a thickness range of 3 to 25 mm and with a width of 2,130 mm. Material strengths of up to 1,900 N/mm² will be leveled here after tempering.

Last year, ANDRITZ received an order from Hunan Valin for three heavy-duty levelers for this segment.

Hunan Valin Lianyuan Iron & Steel Co. Ltd. was established in 1958 and has an annual steel production capacity of eight million tons. The company produces and processes hot-rolled and cold-rolled steel grades.
