

EFFICIENCY IMPROVEMENTS AND ENERGY-SAVING OPPORTUNITIES

VIB system trial units

TRIAL UNITS

VIB SteamTech and VIB SprayTech trial units are available for on-machine evaluation, allowing you to

assess the technology and subsequent data under true process conditions. Our experts will provide recommendations on profile optimi-

zation strategies, engineering and installation options as well as efficiency and quality improvements with opportunities to save energy.

ANDRITZ

VIB system trial units

WATER SPRAY AND STEAM UNITS

VIB water spray and steam units are available in multiple widths and with different zone numbers and zone spacing.
