

PRESS RELEASE

ANDRITZ to supply new cut-to-length line and leveler to Guangxi Shenglong Metallurgical Co. Ltd., China

GRAZ, DECEMBER 4, 2020. International technology Group ANDRITZ has received an order from Guangxi Shenglong Metallurgical Co. Ltd., China, to supply a new cut-to-length line and leveler. Start-up is planned for the 4th quarter of 2021.

The equipment will be used to produce ultra-high-strength steel grades in a thickness range of 3 to 25 mm, with a width of 2,130 mm. Material strengths of up to 1,900 N/mm² will be leveled here after tempering.

The ANDRITZ scope of supply comprises the complete cut-to-length line and leveler, including the mechanical and electrical equipment, as well as start-up of both installations.

Shenglong Metallurgical Co. Ltd. is a joint-stock private enterprise in the province of Guangxi and produces flat and long steel products.
