ANDRITZ

ENGINEERED SUCCESS

The leader in shear blades since 1933

ANDRITZ manufactures ASKO blades – the highest quality shear blades in the scrap, demolition and recycling industries. We maintain a large, ready-to-ship inventory of knives and knife accessories for virtually all stationary, mobile and portable shears and balers, and can expedite shipment anywhere. ASKO blade knife grades, such as Titan II, are designed for the unique demands of the recycling industry for toughness and durability.
