PrimeE-Wind T100

# PrimeE-Wind EXCELLENCE IN WINDING

For prime tissue, paper and board qualities

**MAXIMIZE OUTPUT, MINIMIZE WASTE. MASTER THE WIND.**

We deliver state-of-the-art winders for the production of tissue (PrimeE-Wind T), paper, board and specialty paper (PrimeE-Wind P).

Our winders offer:

- High performance and high-speed operation without compromising quality.
- Smart automation for reduced downtime and optimized efficiency.
- Modular design, tailored to your specific needs.
- Expert service and support to keep your operations running at peak performance.
- Perfect roll formation every time.

# PrimeE-Wind T and P

Two types. One standard of excellence.

## PrimeE-Wind T

The PrimeE-Wind T range includes everything from compact backup units to high-speed in-line combiners. The T80S features a shaftless, 100% pneumatic, compact design, including pit-free and on-board cabinets. The T90 covers the medium/high range, with innovative shaft handling design - manual or automatic. At the top end of the range, the T100 and T200 offer high efficiency and maximum performance. The range concludes with shaftless versions of the top models: the T100S and T200S, which provide easy operation and a compact layout.

## PrimeE-Wind P

The PrimeE-Wind P meets all production requirements, from flexible backup to high-speed in-line winding. The P80 offers a compact, pit-free design with onboard cabinets and plug-&-run delivery. At the top end of the range, the P100 covers fluting, liner writing & printing with high efficiency, maximum performance, while P100H is dedicated to products that require special attention, such as core board, coated paper and specialty paper.

## PROOF OF SUCCESS

With a global presence in Europe, Asia, America, and beyond, the winders enjoy the trust of leading manufacturers thanks to their reliability, precision, and advanced automation. ANDRITZ Pulp & Paper Italy's installed base comprises over 1,000 units worldwide, serving top-tier producers in the tissue, paper and board industry.

## EXCELLENCE IN WINDING. EXCELLENCE IN SERVICE.

From installation and commissioning to routine maintenance and emergency support, ANDRITZ Pulp & Paper Italy provides comprehensive assistance to ensure that each winder operates at peak performance. Our global service network offers rapid response times, remote diagnostics, and access to service experts who understand the nuances of each machine.
