EXTRUDER PARTS

FOR DIFFERENT EXTRUDER BRANDS AND MODELS

Over **30 years** of manufacturing
and servicing experience in complete
extrusion lines

ANDRITZ

Experience the ANDRITZ Difference in Every Part

Our extensive catalog of engineered extrusion parts guarantees that you have access to the highest quality components, designed to meet all your business demands

Single & Twin Screws

Sleeves

Die Plates

Gears

Other Core Parts

SHEAR LOCKS

MAIN SHAFTS

STEAM LOCKS

KNEADINGS

DISKS

BUNDLES

RINGS

BOLTS

BARRELS

Built for Compatibility, Strength, and Longevity

Designed to be **fully compatible with all components** in your machinery

Up to 50% longer lifetime delivering extended durability and performance

Built to Outperform Your Original Parts

Our high-grade stainless steel 1.4112 parts are crafted to outperform OEM standards, providing durability and long-term value to meet the demands of your production

Customized Parts for Your Extruder Brand and Model

Customers can request custom-made parts through our reverse engineering services.

All Brands Compatibility

Our parts are designed to be compatible with all major extrusion equipment manufacturers, enabling seamless integration and functionality across diverse systems.

Aquafeed and Pet Food Specific

We offer solutions tailored to the unique requirements of dry aquafeed and pet food production, ensuring optimal performance and quality.

Full-Spectrum Customization Option

We offer a variety of designs, and materials, including special coatings, to meet specific needs and enhance durability.

Proven Screw Durability in Pet Food & Fish Feed Production

SUCCESS STORIES

Industry

Pet Food

Extruder Type

Single Screw

Production Output

100 tons per day

Operating Schedule

6.5 days a week

Result

- **ANDRITZ Screw Lifespan**
14 months
- **Performance Comparison**
Outlasted original screws by 11 months

Industry

Fish Feed

Extruder Type

Single Screw

Production Output

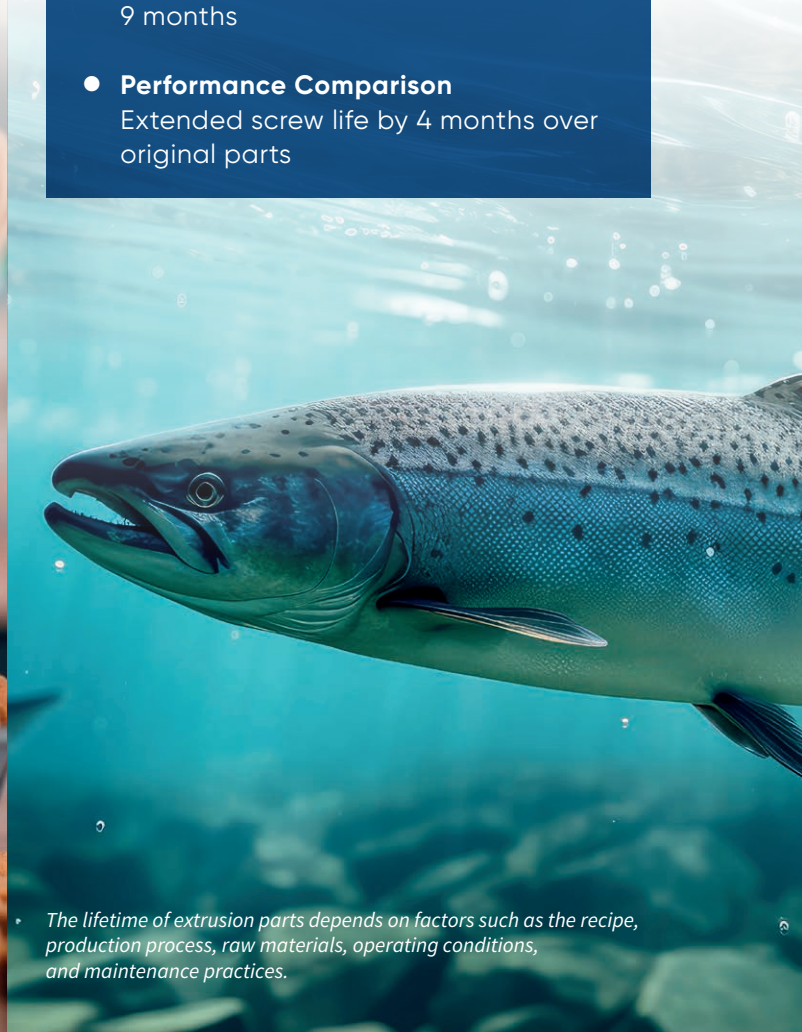

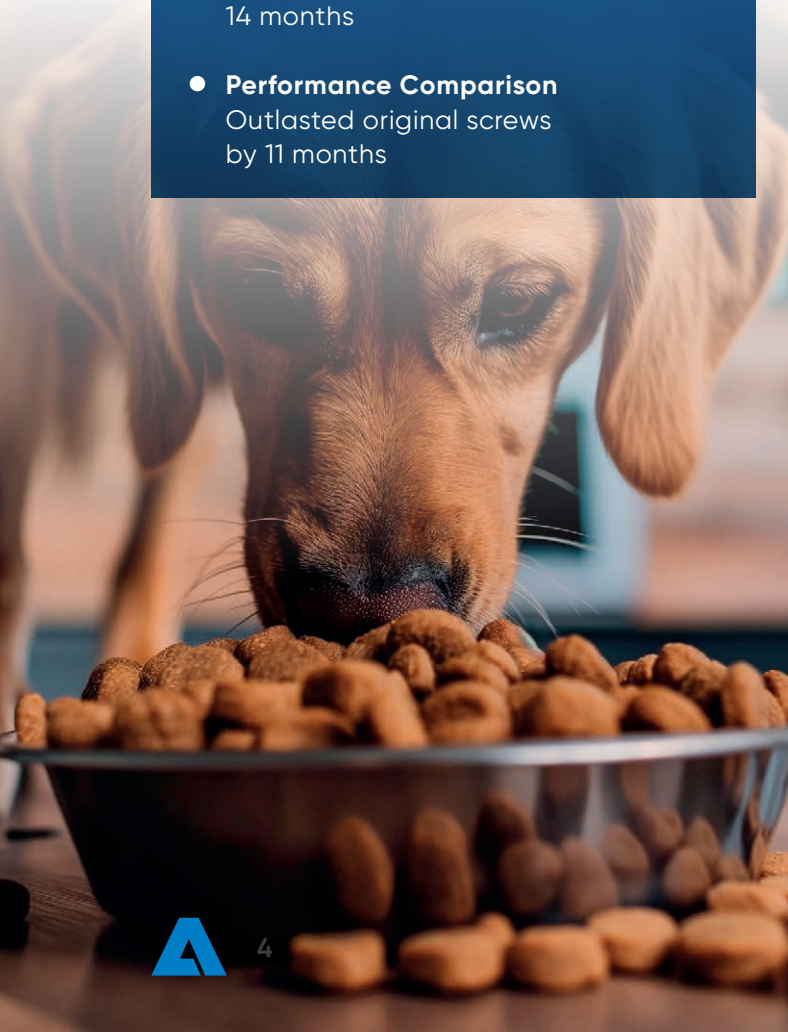

190 tons per day

Operating Schedule

6 days a week

Result

- **ANDRITZ Screw Lifespan**
9 months
- **Performance Comparison**
Extended screw life by 4 months over original parts

Ensuring The Promise of ANDRITZ Quality

World-Class Forging Crafted in Europe

With our production facilities across Europe, we manufacture parts that consistently meet the highest industry standards.

End-to-End Quality Control

We maintain full control over the entire manufacturing process, from raw materials to finished products, ensuring consistency and excellence at every stage.

ANDRITZ Engineered Product

Backed by decades of manufacturing expertise and a deep understanding of extrusion processes, ANDRITZ provides parts you can fully rely on.

Your Strategic Extruder Parts Supplier for Fish Feed and Pet Food Manufacturers

Over 180 Years Of Industry Experience

Combined with over 30 years of expertise in manufacturing and servicing complete extrusion lines, we bring unparalleled knowledge to every project, ensuring high-quality results and reliable performance.

Latest Technological Support

As a leader in innovation, we provide the latest technological support, including ingredient formulation, nutritional support, and technologist services. Our advancements help reduce feed waste and increase the value of food products.

Process Optimization for Your Extrusion Line

Our decades of expertise enable us to provide process optimization, system audits, and operator training, ensuring your peace of mind and uninterrupted operations.

Replacement Parts Service

For customers without an in-house maintenance team, we offer part replacement services. Currently available in Europe, soon in the US, Brazil, and Mexico.

World-Class Spare Parts and Service Wherever You Need Them

Our spare parts and services are available wherever your operations are located. With strategically placed facilities across the globe, we're committed to providing you with the exact parts you need, precisely when you need them.
