

SEPARATION KNOW-HOW FOR OPERATING AND MAINTENANCE STAFF

TAILORED TRAINING PROGRAMS AND SEMINARS

Even with the world's best equipment, there's always room to improve performance, reduce downtime, and enhance safety. With specialized training from the OEM experts at ANDRITZ, we're here to provide all the know-how you need to get more from your machines. Whether you're looking to optimize operation, improve maintenance and inspection, implement new

safety measures, or automate new processes, our training programs and seminars are tailored to your demands. Complete with best practices and hands-on examples, our experts are available to provide individualized advice. Give your new and existing operators and maintenance personnel the specialized training they need to maximize your machine's operation.

Take advantage of our 150 years of OEM experience gained from an installed base of more than 55,000 machines. Let our global team of solid/liquid separation specialists help you improve safety, reduce costs, and save on power – for a vast number of well-known OEM brands.

ANDRITZ

ENGINEERED SUCCESS

WHAT'S YOUR SEPARATION CHALLENGE?

ANDRITZ Separation is the world's leading separation specialist with the broadest technology portfolio and more than 2,000 specialists in 40 countries. For more than 150 years, we have been a driving force in the evolution of separation solutions and services for industries ranging from environment to food, chemicals, and mining & minerals. As the OEM for many of the world's leading brands, we have the solutions and services to transform your business to meet tomorrow's changing demands – wherever you are and whatever your separation challenge. **Ask your separation specialist!**
