

## Local support

A world of knowledge near you

**Our customers' demands are as varied as the products they produce. Which is why the local support we provide is tailored precisely to meet your business needs.** At ANDRITZ SEPARATION, our global knowledge database allows hundreds of experienced field service technicians to bring a world of shared insights straight to you. Whether you need instant response, enhanced equipment availability, or reliable access to spare parts, our local service centers are well prepared to meet

your needs. Just one partner, one point of contact, and one relentless focus on your operational efficiency.

Take advantage of our 150 years of OEM experience gained from an installed base of more than 55,000 machines. Let our global team of solid/liquid separation specialists help you improve safety, reduce costs, and save on power – for a vast number of well-known OEM brands.

centers and field  
service technicians

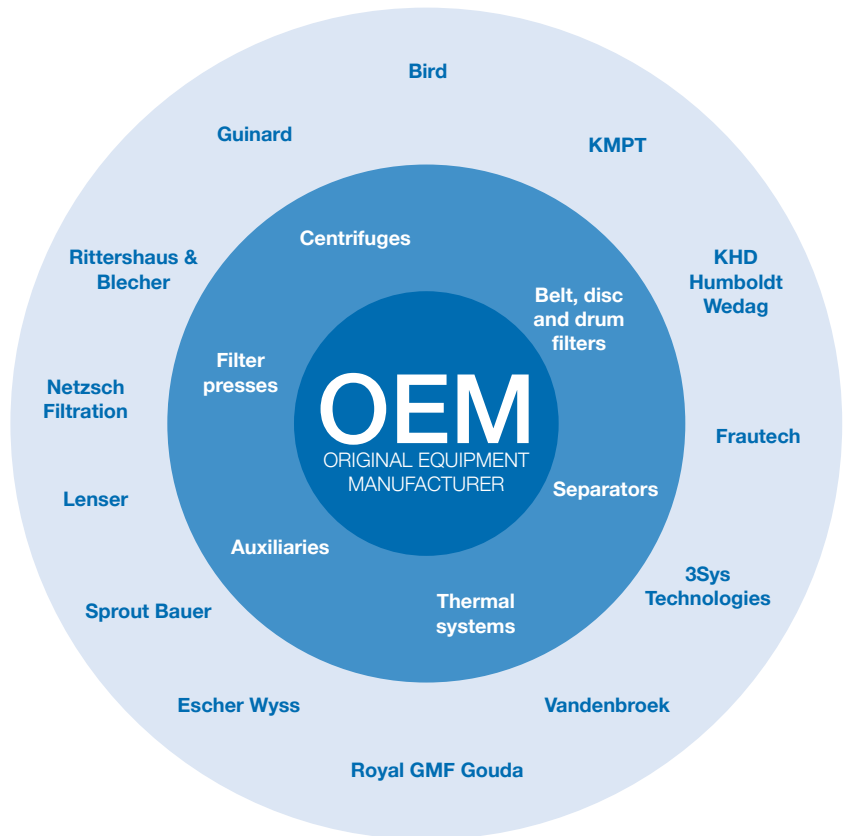

# Always OEM quality

## Local support backed by global expertise

Our service philosophy is simple: One phone call, one contact person, one dedicated team that speaks your language and knows your equipment and process. This is not an empty promise. It is backed by 150 years of experience, a network of 550 service specialists for solid/liquid separation equipment and systems as well as service centers all around the world.

## A true full-service provider

Whether you need spare parts, rentals, local service, repairs, upgrades, or modernization of your equipment, ANDRITZ SEPARATION is a 360-degree service partner. From initial consulting through to service agreements, plant optimization, automation, and training programs, we are always looking for ways to minimize downtime and increase predictability in operations while raising your overall production efficiency. In short, we've got you covered.
