

Second-hand machines & rentals

For fast, reliable, and flexible solutions

Why buy new solid/liquid separation equipment when you can get it second-hand, with the latest upgrades and automation technologies, at a fraction of the cost? Or why not simply rent to meet your short-term production needs? At ANDRITZ SEPARATION, we offer a wide range of second-hand machines that can be purchased “as is” or OEM-certified with new wear and standard parts, technology upgrades, and warranties. We will also consider purchasing your

machines if they are no longer in operation. If you are looking for cost savings or temporary rentals, we’re certain to have a solution that’s right for you.

Take advantage of our 150 years of OEM experience gained from an installed base of more than 55,000 machines. Let our global team of solid/liquid separation specialists help you improve safety, reduce costs, and save on power – for a vast number of well-known OEM brands.

and rental machines

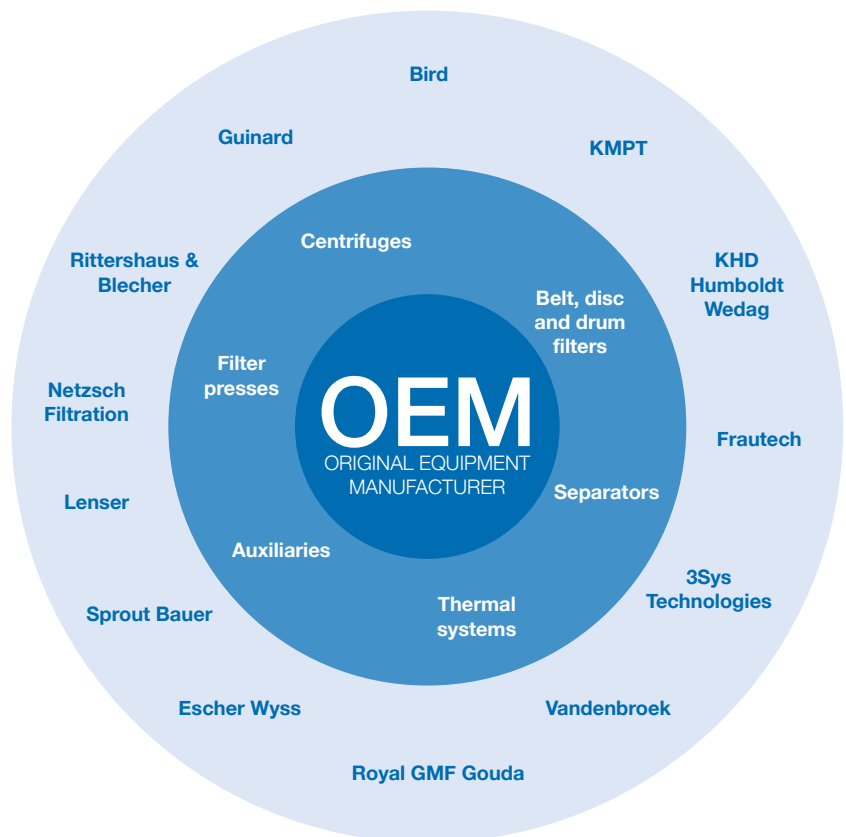

Always OEM quality

Local support backed by global expertise

Our service philosophy is simple: One phone call, one contact person, one dedicated team that speaks your language and knows your equipment and process. This is not an empty promise. It is backed by 150 years of experience, a network of 550 service specialists for solid/liquid separation equipment and systems as well as service centers all around the world.

A true full-service provider

Whether you need spare parts, rentals, local service, repairs, upgrades, or modernization of your equipment, ANDRITZ SEPARATION is a 360-degree service partner. From initial consulting through to service agreements, plant optimization, automation, and training programs, we are always looking for ways to minimize downtime and increase predictability in operations while raising your overall production efficiency. In short, we've got you covered.
