

# Spare and wear parts

## For your solid/liquid separation needs

**The secret to success lies in keeping your production lines running. That is why we at ANDRITZ SEPARATION have made considerable investments in our stockholdings of spare parts at our sites around the world.** No matter where you are located, our mission is to ensure you get quick and reliable delivery of the parts you need – whether from our own local inventories or from consignment stocks. With the exception of consumable

wear parts, all of our spares have a twelve month warranty against manufacture or material defects.

Take advantage of our 150 years of OEM experience gained from an installed base of more than 55,000 machines. Let our global team of solid/liquid separation specialists help you improve safety, reduce costs, and save on power – for a vast number of well-known OEM brands.

# Always OEM quality

## Local support backed by global expertise

Our service philosophy is simple: One phone call, one contact person, one dedicated team that speaks your language and knows your equipment and process. This is not an empty promise. It is backed by 150 years of experience, a network of 550 service specialists for solid/liquid separation equipment and systems as well as service centers all around the world.

## A true full-service provider

Whether you need spare parts, rentals, local service, repairs, upgrades, or modernization of your equipment, ANDRITZ SEPARATION is a 360-degree service partner. From initial consulting through to service agreements, plant optimization, automation, and training programs, we are always looking for ways to minimize downtime and increase predictability in operations while raising your overall production efficiency. In short, we've got you covered.
